CMO/IMPP Relationship

PURPOSE

To define and explain the relationship between the College of Midwives of Ontario (CMO) and the International Midwifery Pre-registration Program (IMPP) at Ryerson University.

RATIONALE

To ensure registration practices are transparent, objective, impartial and fair

LEGISLATION

The relevant legislation, regulations and by-laws regarding registration with the College of Midwives includes:

- the *Health Professions Procedural Code*, being Schedule 2 to the *Regulated Health Professions Act*, 1991, as amended from time to time
- Registration Regulation made under the *Midwifery Act*, 1991
- the College of Midwives of Ontario by-laws, Articles 14 and 15

SCOPE

This policy applies to all departments and administrative offices of the College, to all College officers, to Council and committee members and employees, and to IMPP registration applicants.

POLICY

The CMO maintains a relationship with the IMPP. The IMPP is a third party provider of assessment, training, and upgrading for internationally trained midwives. Representatives of the IMPP and the CMO meet at least 2 times per year to discuss policies, procedures, review statistical data and to refine best practices so that the work of the IMPP can be carried out in a way that is transparent, objective, impartial and fair.
