## Request Form for Continuing Competency Course Approval

The College of Midwives of Ontario (College) approves the professional courses that are required as continuing competencies for midwives registered in Ontario. This document sets out the criteria that will be considered by the College when approving courses.

Name of Course Provider: \_\_\_\_\_

Submitted By: \_\_\_\_\_

Name: \_\_\_\_\_ Organization: \_\_\_\_\_

Phone Number: \_\_\_\_\_ Email: \_\_\_\_\_

### Minimum Requirements

Each continuing competency course must include both theoretical and practical components.

A Neonatal Resuscitation Program (NRP) course at a minimum, must be based on the most recent edition of the NRP, including the Canadian medication standards, as required and administered by the Canadian Paediatric Society.

An emergency skills course at a minimum, must include antenatal, intrapartum and postpartum haemorrhage, abnormal fetal heart rate, malpresentation and cord prolapse, shoulder dystocia, emergency breech birth, and emergency twin birth components.

A cardiopulmonary resuscitation (CPR) training course at a minimum, must be at the Health Care Provider (HCP) level or Basic Life Support (BLS) level and must include training in accordance with the most recent Canadian Consensus Guidelines on First Aid and CPR developed by the Canadian Guidelines Consensus Task Force.

### Instructions

For each of the questions below, please provide supporting documents such as participant reference manual, policies and/or procedural manual indicating page numbers for reference if applicable, or any other relevant documentation.

## Content

1. Does the course include both theoretical and practical components and meet the above minimum criteria?

Yes

No

Explanation and supporting documentation attached.

2. Is the course relevant to the Canadian healthcare context?

Yes

No

Explanation and supporting documentation attached.

3. Do instructors receive standardized training in delivering the course?

Yes

No

Explanation and supporting documentation attached.

4. Do participants demonstrate their knowledge and skill acquisition and evidence of successful completion is provided to participants?

Yes

No

Explanation and supporting documentation attached.

## Administration

1. Is the course developed and administered by an institution or organization with a formal governance structure or system of accountability?

Yes

No

Explanation and supporting documentation attached.

2. Is there a mechanism in place for evaluating and updating the course?

Yes

No

Explanation and supporting documentation attached.
