Composition of Council

In accordance with the [Midwifery Act, 1991](#), Council is composed of at least seven and no more than eight professional elected members and at least five and no more than seven public member appointments.

Professional Members

Professional members are elected by their peers in accordance with the procedures and criteria outlined in the College's [General By-law](#) (s.5.08).

Public Member Appointments

Public members are appointed by the Lieutenant Governor in Council. These appointments are made by the [Public Appointments Secretariat](#) (PAS). Members of the public who wish to contribute to public boards or councils can apply online. The PAS website also contains an extensive list of councils with current and upcoming public member vacancies.

Terms

Professional Members

Terms of office of elected members commence on the day of the first Council meeting after the election and continue for approximately three years as noted in the General By-law (s.5.04). The [Regulated Health Professions Act, 1991](#) states that elected council members may not serve for more than nine consecutive years.

Public Member Appointments

Terms of office for public members are appointed by the Public Appointments Secretariat (PAS) for one-year and up to three-year terms. Public members may not serve for more than nine consecutive years.

Election Process

Each year, usually throughout the month of June, the College holds online elections for professional member vacancies on Council.

The election process is outlined in the College's [General By-Law \(s.5\)](#). The by-law refers to an 'election day', but the College will provide members with the opportunity to vote online from June 1 to June 30, 2021. For the College's administrative procedures, June 30 is referred to as the 'election day'.

Call for Nominations

The College contacts all members by email to call for nominations at least ninety (90) days prior to 'election day', for the 2021 elections the call for nominations will occur April 1, 2021.

The number of vacancies on Council vary each year, and generally ranges from two to three vacancies. Members are informed of the number of vacancies in the call for nominations notice.

Responsibility of Nominators

Members interested in running for election are required to complete and submit the Annual Election Nomination Form ([Appendix A](#)). This form requires the nominee be supported by two nominators – keep in mind, these nominators must meet the nomination requirements noted in the by-laws.

Each nominator must confirm that:

- they hold a certificate of registration other than a certificate in the transitional class
- their principal place of practice (if applicable) and residence is in Ontario
- they are not in default of any fees or other amounts owed to the College
- they are not in default in returning any required form or information to the College

Nomination forms must be returned to the College by the nominee within 60 days of the ‘election date’. The deadline for the 2021 elections is **May 3, 2021**.

Eligibility for Election Criteria

In accordance with College by-laws, successful completion of the College’s training program related to the duties, obligations and expectations of being a Council member is an eligibility requirement. The [Governance Education Modules \(GEM\)](#) is an online training program consisting of three education modules and three quizzes used for proof of completion. There is no scoring involved and should take approximately one hour to complete. The [Governance Manual](#) is also available as a study aid and general reference document for detailing the governance work of the College.

The eligibility criteria for nominees is defined in the General By-law (s.5.08). All nominees must meet the eligibility criteria to run for election by the deadline of receipt of nominations and up to and including the date of the election. Criteria includes, not being in default of any fees or information (e.g., Quality Assurance Program reports) owed to the College not being subject of a discipline or fitness to practice hearing, etc. To review a full description of the eligibility criteria for nominees in the by-laws [click here](#).

The College can refuse a nomination form if it does not meet acceptable guidelines.

Nomination Confirmation

Members who have met the criteria for nomination will receive a confirmation of nomination by email from the College in the days following the nomination deadline.

At that time nominees will be requested to submit candidate platforms and a photo to provide for voter information during the elections. Nominees are also required to complete and submit a Conflict of Interest ([Appendix B](#)) form.

Acclamation

If, following the nomination confirmation and upon receipt of all nominee conflict of interest forms, the Registrar determines that the number of eligible candidates is less than or equal to the number of members to be elected, the Registrar will declare those candidates who are eligible for election to be elected by acclamation and shall notify the candidates and the membership.

Candidate Platforms

Candidate platforms must adhere to fair and consistent parameters. They must meet the following criteria:

- Be typed and no more than 250 words in length
- Include the candidate's name and location
- Include the candidate's reason for wanting to serve on Council
- Not contain any negative criticism of other candidates
- Not include libelous or slanderous comments
- Not make any counter-regulatory or illegal recommendations
- Sent as electronic file by email to cmo@cmo.on.ca

Tips on writing a Candidate Platform

- **Review the College's Strategic Framework.** The framework is a high-level statement of the College's vision, mission, outcomes and key priorities over the next three years, paving the way forward for the organization.
- **Familiarize yourself with the written provisions** that prescribe the role and activities of the College. The Regulated Health Professions Act, the Health Professions Procedural Code, the Midwifery Act, College regulations, by-laws & Governance Policies. You don't need to be an expert – simply be aware of the framework that the College works under.
- **Elected members of Council serve the public interest – they do not represent their peers.** In your platform, don't make grandiose statements and promises to your peers. Council speaks with one voice and Council members have no individual authority. The Registrar and the President are the only spokespeople for Council.
- Above all, it is important to keep in mind that Council members have a fiduciary duty of undivided loyalty and good faith to the mandate of the College, which is to regulate the profession of midwifery in the **public interest**.

Voting

When the eligibility criteria are met, and the platforms have been received, the College will officially launch the election to the membership. Members will have access to the online ballots, where they can review the platforms for all candidates and cast their confidential vote.

Eligibility to vote is outlined in the College's General By-law (s.5.09) – all members who wish to cast a vote must meet the eligibility criteria on the day of the election. Important dates pertaining to the election, voting procedures and staff contact information will be published on the College website.

Vote Verification

All votes must be submitted by 11:59 p.m. on or before June 30, 2021, in order to be counted. The results are verified by the election platform provider and are sent to the Registrar to confirm the results, with legal counsel and an additional witness acting as scrutineers. The College then informs the candidates and current Council members of the results before informing the membership.

Recounts

Candidates can request recounts no more than seven days after receiving the election results. A recount fee is applicable as per the College's Fees & Remuneration By-law (s.12.13).

By-elections & Vacancies

In accordance with the General By-law (s.5.31), if an elected member of Council vacates their seat less than 12 months before the end of their term, Council may decide to:

- Leave the seat vacant
- Hold a by-election
- Appoint the candidate who had the most votes of all the unsuccessful candidates

When an elected member of Council vacates their seat more than 12 months before the end of their term, a by-election is held to fill the vacancy as per section 5.32 of the General By-law. Members that are appointed or elected to fill a vacancy will serve as a Council member for the duration of the former Council member's term.
